Credit Repair Background:

Lisa made enquires with other credit repair companies but felt most comfortable with Mycra Lawyers credibility and services. This default was as a result of unpaid Legal fees from a law firm that Lisa had previously received services from.

What were any challenges with the creditor?

Limited. The creditor responded promptly and agreed to remove the listing based on an internal initial review of our removal request.

Why was the listing removed?

The creditor was made aware of inconsistencies in the original debt and the listing that was placed on our clients credit file. These inconsistencies resulted in the default being deemed unlawful and required immediate removal.

Summary:

Lisa had concerns that there may have been listings on her credit file and wanted to check prior to proceeding with any finance applications. We were able to remove this listing in 9 business days and Lisa was able to move forward financially.

Congratulations Lisa!
