Credit Repair Background:

The client came to us believing that he had 2 listings on his credit report. After speaking to us, we assessed his credit reports to find that he had 3 court judgments instead.

What were any challenges with the creditor?

There were no challenges with the creditor as this was a clear cut case.

Why was the listing removed?

Negotiations commenced with the creditor and agreement was reached quickly. MyCra Lawyers was then able to have the court judgment removed from our clients credit file.

Summary:

When the client came to us, he wanted to buy a house but the listings on his report were stopping him from getting finance. The listing was removed in just 9 business days! **Congratulations Severino!**
