Credit Repair Background:

Elisa found out about the listing when she was unable to get a home loan. Her default listing occurred due to a partnership breakup and her house got sold at Mortgagee Auction around 2 years ago.

What were any challenges with the creditor?

None. The creditor responded promptly to our office to confirm removal based on our initial findings.

Why was the listing removed?

The creditor agreed to remove the default upon their review of MyCRA Lawyers' formal request.

Summary:

Elisa was referred to our office by her broker as she was unable to get a home loan. Our team managed to remove this listing in just 4 business days. Elisa can now confidently apply for her home loan. **Congratulations Elisa!**
